MESSAGE FROM THE HEADTEACHER

We are looking forward to another exciting week at school and to welcoming parents to our Imagineers and Entrepreneurs Parents' Evening. If you have not yet done so, you are now able to book a meeting with Miss Hibbert to discuss your child's progress and learning.

On 11th November, the children will be observing Remembrance Day and taking part in age-appropriate activities to help them understand the importance of remembering those who have served and sacrificed for our country.

This week, we have also launched our new Multiplication Challenges. In Imagineers, children will be working as Digit Detectives, securing their knowledge of number bonds before practising their 2, 5 and 10 times tables. In Adventurers and Entrepreneurs, children will be working towards securing their Bronze Award before progressing onto Silver and Gold. If your child brings a multiplication challenge sheet home, please encourage them to practise regularly. Children will be rewarded for their achievements with Dojo points and certificates, and we will celebrate their success by announcing those who have achieved each target in future newsletters.

Thank you for your continued support.

ONE CHARTER

We would like to remind all parents and carers of our school's code of conduct for parents, carers and visitors. The policy is linked below.
One Charter
It is important that all parents and carers familiarise themselves with this policy to ensure the safety of our staff and children.

DINNER MENUS

School dinner menus can now be found our website:
