

Marvellous Me!

Year 1/2

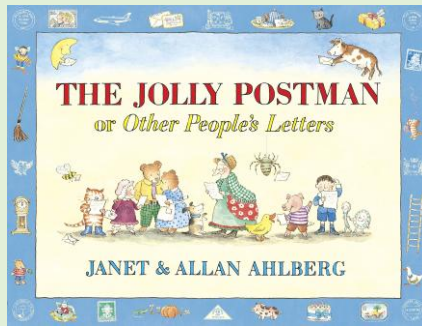

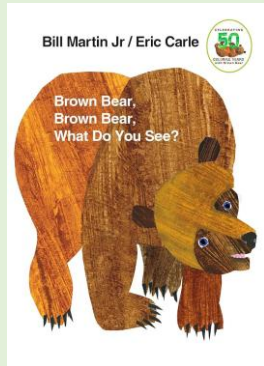

Autumn 2025

Please try to read with your child at least three times a week and record this on the BoomReader Portal.

Please place completed reading books in the 'Finished Books' box so that teachers can change them throughout the week.

English

During English lessons this term children will explore the following texts in detail :

Children will write correctly punctuated sentences, using a wide range of vocabulary and different sentence types. We will be producing a narrative, a report, a letter, and a diary entry. The children will consider engaging their audience using adjectives and expanded noun phrases.

Phonics teaching will continue to help children to segment and blend their words to support spelling. Children will experience a wide variety of text types and develop their skills of comprehension, during our daily whole class reading sessions.

Our Curriculum Hero

Hannah Höch

Physical Education
Over the Autumn Term, the children will be developing their Dynamic Balance, including jumping and landing. Our PE days are Monday and Thursday.

Maths

Throughout the Autumn Term the children will explore the following areas of Mathematics. This will be through Maths lessons, Continuous Provision, games, songs and activities:

- Place Value
- Addition and Subtraction
- Shape

At Haggonfields we follow the White Rose schemes of learning for Maths and teach using a mastery approach.

Home Learning

Over the term, we will be sharing ideas for how the children can further explore curriculum content at home. These will be posted on ClassDojo. The children can choose to write, draw, make, or create. If you can, please send photos, we love to see and talk about what children learn!

Wider Curriculum

Through the wider curriculum we will introduce children to a wide range of subjects, enriching their knowledge of the world in which they live. Subjects will be taught through a combination of formal teaching and continuous provision where children will be able to enhance their knowledge independently by accessing carefully chosen resources and challenges. These subjects include:

Science

In Science we will be learning about the human body. We will learn about different body parts, organs and our senses.

D&T

This term we will learn about the importance of having a balanced diet. We will follow a recipe to make a pasta salad.

Art

The children will research and observe the art of Hannah Hoch. We will learn how to collage using different materials.

Computing

The children will be learning how to use the internet safely.

PSHE

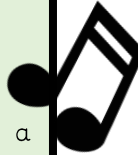

The PSHE focus this term will surround Family and Relationships.

History

The children will be exploring their own personal history and how artefacts have changed since they were born.

Music

In music we will be singing songs that celebrate being ourselves, including 'You've got a friend in Me' and 'My Favourite Things'.

Religious Education

Guided by the school's Christian Values, children will have time to reflect during daily assemblies. During weekly lessons children will learn about Christian teachings on God and Creation. We will also learn about Christmas and why it is important to Christians.

Geography

The children will be learning about Rhodesia and its history.

Marvellous Me!

Year 1 and 2 Autumn 2025
