

13th February 2026

Dear Parents and Carers,

After a long and highly successful teaching career, including her time as Headteacher of Haggonfields Primary School, Mrs. Grierson has made the decision to retire.

Over the past three years, she has led the school with unwavering dedication, guiding us to a strong and stable position from which we can continue to grow and develop.

I am sure you will join me in wishing Mrs. Grierson every happiness in her retirement. I also look forward to your continued support as we move into the next phase of the school's development.

Yours faithfully,

Mr Philip Gawthorpe
Chair of Governors
Haggonfields Primary School
