

Dear Parents and Carers,

My name is Mrs Boness, and I am delighted to introduce myself as the new Headteacher at Haggonfields Primary School. I have previously worked in many schools where I was part of the leadership team that helped move them to a 'Good' Ofsted rating, and I am excited to bring that experience, dedication, and passion to this wonderful community.

I will be upholding and championing our core values of **Believe, Aspire, Excel**. These values will guide my leadership and the direction of our school as we continue to support every child to achieve their very best. I understand that a change in leadership partway through the year may naturally bring some concerns. I am sure you and the children will deeply miss Mrs Grierson, and I want to acknowledge the fantastic work she has completed during her time at Haggonfields. I am committed to continuing the progress she has made and ensuring that the school remains a place where your children feel safe, inspired, and supported.

Over the coming weeks, I am very much looking forward to getting to know your children, as well as you—the parents, carers, and wider community who make Haggonfields such a special place. I warmly welcome you to come and say hello at the school gate. I would also love to invite you in for a coffee and a chat over the next few weeks.

You are especially welcome to pop in **anytime on Friday 8th May**, when I will make sure I am available throughout the day to meet as many of you as possible.

Thank you for your continued support. I am truly excited for the journey ahead and feel privileged to join the Haggonfields family.

Warm regards,

Mrs Boness

Headteacher
