

### MESSAGE FROM THE HEADTEACHER

What a wonderfully creative week it's been in school! Our corridors have been buzzing with imagination, colour, and artistic flair as each class explored a different style of art during Arty Week. The Adventurers got their hands messy with clay creations, shaping and sculpting with enthusiasm. The Entrepreneurs brightened our walls with bold Pop Art, while the Imagineers took inspiration from the amazing Hannah Höch, experimenting with collage and mixed media. Meanwhile, the Curious Creators carefully dotted their way through beautiful pieces of Pointillism—a true test of patience and precision!

We're also delighted to share that Miss Robinson will be returning to the Imagineers after the half-term break—welcome back! At the same time, we send our very best wishes to Mr Davies as he embarks on his next exciting venture. He will be greatly missed by pupils and staff alike.

# HAGGONFIELDS' WAY

At Haggonfields we teach a Relationships and Behaviour Strategy that sets out expectations for pupils to follow through the learning day and beyond. We want to support our pupils to have a 'toolbox' of deep rooted principles that allows all to be responsible and respectable citizens.

We call this the Haggonfields' Way.

Each week, a pupil from each class that has demonstrated the values and behaviours outlined in the Haggonfields' Way will be awarded a certificate in the Celebration assembly.

You can learn more about our strategy on the website [The Haggonfields' Way](#)

## What Parents & Educators Need to Know about EA SPORTS FC 26

### WHAT ARE THE RISKS?

#### AN ANNUAL RELEASE SCHEDULE

As was the case with the last two EA Sports FC games and the FIFA series before it, this franchise rolls out once a year with updated squads and new features. This can make it expensive to keep up with, particularly when so many dedicated players are keen to get their hands on the latest edition.

#### VOICE CHAT

Voice chat can be enabled across all platforms, meaning young people can speak to anyone they play with or against. While it can be switched off, some children will no doubt want to speak to their friends while they play. This also means they may encounter strangers much older than them, which can expose them to inappropriate language or behaviours.

#### IN-GAME PURCHASES THROUGH ULTIMATE TEAM

Ultimate Team is the big draw for EA Sports FC, letting players spend real money on packs that they can open to build a squad of the world's best players. They're not always easy to obtain, and new, improved versions of players will be regularly added as limited-time offerings. Young people could feel pressured into spending money and experience fear of missing out.

#### SCAMMERS IN ULTIMATE TEAM

Ultimate Team is managed by EA itself, but that hasn't stopped scammers from looking to dupe players out of money and in-game coins. Some scammers sell their accounts, which is a violation of EA's terms of service, while others will 'sell' coins - something the developer is still working to crack down on. Some try to gain access to others' accounts, potentially giving them access to payment information.

#### POTENTIAL FOR ADDICTION

While EA Sports FC is potentially addictive, thanks to its fast-paced gameplay and mirroring of the real-world skill and glamour of football, Ultimate Team's focus on limited-time rewards and the lottery of winning packs can make it feel closer to gambling than gaming, which may lead to addiction and impulsive spending of money.

## Advice for Parents & Educators

### PREPARE FOR ANOTHER GAME IN A YEAR

The annual-release cadence aligns with the return of the school year, and can be a great way to incentivise good behaviour at the start of term. If children are applying themselves and preparing for a new year of school, or were particularly well behaved in the summer, EA Sports FC 26 could make a great reward.

### LIMIT SPENDING

If you're worried about children accidentally spending real money in Ultimate Team, whether in game or on the EA Sports FC companion app, don't link a payment card to their account. Reclaiming funds can be a mountain to climb, and the dopamine hit of opening flashy packs with slick animations means one purchase can lead to another very quickly. It's also worth advising a prepaid card if you'd prefer them to make their own choices with their budget.

### MONITOR VOICE CHAT

As in-game chat is open, be sure to adjust the settings in EA Sports FC 26 to lock it down. If children want to chat with their friends while they play, consider setting up a safe space for them to call, to allow them to play without fear of outsiders.

### BE VIGILANT

As with last year, there are ways to keep scammers at bay. Ensure passwords are locked down, and consider using a password manager application to keep them secure. EA will never contact players through the game itself, so be vigilant with incoming messages, and block and report suspected spam. EA will contact players by email if needed, but they will never ask for usernames or passwords. Players should also avoid buying in-game currency from unofficial websites - doing so can lead to accounts being banned and could cost players money in the process.

## Early Years

This week in Curious Creators there has been many lovely learning opportunities. The children have developed their mathematical language of capacity, we have been developing our letter recognition and listening skills to identify initial sounds in words. Moreover, extending our spatial awareness and knowledge of road safety with the game red, amber and green lights and so much more.

## Our Learning

PIC•COLLAGE

This week the Imagineers have made portraits in the style of Hannah Hoch. We have also been learning about the features of letters so that we can write to the Big Bad Wolf next week. We have also voted for our new school councillors. Congratulations to Travis and Eva Who will represent the Imagineers on school council this year.

# Our Learning

PIC•COLLAGE

This week in Adventurers, we have been learning all about how to round numbers to the nearest 100 in Maths. The children did some active learning to help secure their knowledge of this. In English, we have had a special letter from Creswell Crags. They want us to write instructions on how to wash a woolly mammoth. The children have been practicing in preparation for their written assignment.

## Our Learning

This week, we have been developing our Math skills, relating back to addition and subtraction. Additionally, the children have continued being Times Table Rock Stars - they're getting quicker by the day! In Science, we learned all about machines, past and present and how they influenced our lives today. The children in years five and six have such a wonderful spark for learning, we're looking forward to more next week!
