

### MESSAGE FROM THE HEADTEACHER

This week, Entrepreneurs were delighted to welcome sculptor Richard Janes, generously sponsored by the Friends of Woodlands and Coachwood Green. The children worked collaboratively with the artist to help design an exciting new installation that will be displayed on the mound at Woodlands Summit. It was a wonderful opportunity for our pupils to contribute their creativity to a piece that will become a lasting part of our local environment. We are also pleased to share that the school will be adopting a brand-new website next Tuesday, bringing a fresher look and easier access to key information.

## HAGGONFIELDS' WAY

At Haggonfields we teach a Relationships and Behaviour Strategy that sets out expectations for pupils to follow through the learning day and beyond. We want to support our pupils to have a 'toolbox' of deep rooted principles that allows all to be responsible and respectable citizens.

We call this the Haggonfields' Way.

Each week, a pupil from each class that has demonstrated the values and behaviours outlined in the Haggonfields' Way will be awarded a certificate in the Celebration assembly.

You can learn more about our strategy on the website [The Haggonfields' Way](#)

### Celebrating Success

If your child has celebrated an achievement outside of school, we would love to hear about it and celebrate their success with them. Please encourage them to bring any badges, certificates etc so they can share with their friends.

## Notices

We are excited to announce that we will be moving our Management Information System to Arbor in the next few weeks.

Adopting Arbor will allow us to communicate with you more efficiently and bring all core school data and workflows into one system.

We are really looking forward to getting started with Arbor and invite all our parents to familiarise themselves using the link below.  
[Getting started - Log into the Parent Portal and the Parent App](#)

Arbor also offers access to many training resources which are completely free for you to make the most of! These can all be found [here](#).

We will send further communication on the parental app and how to register soon, please look out for this information and register your child when prompted.

We hope you are looking forward to using this new feature as much as we are!

If you have any queries, please contact the School Office.

## Notices

### Code of Conduct for Parents, Carers and Visitors.

We would like to remind all parents and carers of our school's code of conduct for parents, carers and visitors. The policy is linked below.

[Code of Conduct](#)

It is important that all parents and carers familiarise themselves with this policy to ensure the safety of our staff and children.

### Nut-Free School

A reminder to parents and carers that we continue to be a nut-free school therefore we kindly request that you do not send any nut products in your child's lunchbox or as snacks.

We appreciate your cooperation in making our school a safe space for everyone.

### Polite Reminders

We kindly ask

- that there is no smoking or vaping on school premises.
- If anyone travels to school on their bikes or scooters, please ensure they are dismounted before entering through the school gate.
  - Dogs are not allowed on school premises.

### ParentPay

As we transition over to Arbor, it has affected ParentPay and the updating of balances therefore this week's paid meals haven't updated on accounts yet. Payments can still be made on ParentPay but if anyone requires an update on their balance, please contact the school office.

## Early Years

PIC•COLLAGE

This week the children have had a wonderful time exploring our play-dough area. It has been fantastic to see them working together, sharing ideas, and using their imagination in such creative ways. We have made hedgehogs, trees, biscuits and much more.

## Our Learning

This week in class, the children have been working hard in Maths, using number lines to help them solve problems and explain their thinking with confidence. In English, we've been celebrating some wonderful and enthusiastic performances as the children retold their own versions of *Funnybones*. It has been fantastic to see their creativity shine through!

## Our Learning

This week in Adventurers, we had our Stone Age Day. The children learned all about cave art and why they used it during the Stone Age period. They also learned how they would survive when they went on their travels by building dens. Then, they turned into hunters by practicing their spear throwing using javelins. Finally, they were gatherers and created fruit skewers. An excellent and enjoyable day for all of them.

## **Our Learning**

This week, our Entrepreneurs have truly embraced creativity! At the beginning of the week, they were busy building bridges and exploring how triangular trusses make them stronger! Later in the week, we had the privilege of welcoming the incredible sculptor Richard Janes, who collaborated with the children to inspire one of his new, local sculptures. What an inspiring experience for everyone involved. Thank you, Mr Janes, we cannot wait to see the final creation!
