

MESSAGE FROM THE HEADTEACHER

We've had an exciting week of learning across the school! The Entrepreneurs kicked off their Victorian studies with a memorable trip to Southwell Workhouse, sparking plenty of questions and ideas. Our

Adventurers have been making maths active and fun through energetic, hands-on challenges. The Imagineers have been exploring the five senses with engaging, interactive activities, while the Curious Creators have retold the delightful story of a bear travelling to the moon, using their creativity and storytelling skills.

It's wonderful to see so much curiosity, teamwork, and imagination shining through in every class!

DIARY DATES

Mon 29th Sept	Inset Day
Thurs 2nd Oct	Flu vaccinations
Tues 7th Oct	School photos
Mon 20th Oct	Half term
W/C 17th Nov	Parents Evenings

2025/2026 inset days
Monday 29th September
Friday 24th July
Monday 27th July

PE DAYS

Early Years - Monday
Imagineers – Wednesday
Adventurers – Tuesday & Thursday
Entrepreneurs – Tuesday & Thursday

AFTER SCHOOL CLUBS

Tuesday – Football (Years 3-6)
Wednesday – Table Tennis (Years 3-6)
Thursday – Art (Years 3-6)
Thursday – Colouring (Reception – Year 2)

All clubs finish at 4pm. If you're child would like to join a club, please contact the school office.

ATTENDANCE

Whole School – 94.3%
Curious Creators – 100%
Imagineers – 92.3%
Adventurers – 92.3%
Entrepreneurs – 95.8%

SAFEGUARDING LEADS

Mrs Grierson – Headteacher
Mrs Thorpe – Office Manager
Miss Swann – Senior Teacher

HAGGONFIELDS' WAY

At Haggonfields we teach a Relationships and Behaviour Strategy that sets out expectations for pupils to follow through the learning day and beyond. We want to support our pupils to have a 'toolbox' of deep rooted principles that allows all to be responsible and respectable citizens.

We call this the Haggonfields' Way.

Each week, a pupil from each class that has demonstrated the values and behaviours outlined in the Haggonfields' Way will be awarded a certificate in the Celebration assembly.

You can learn more about our strategy on the website [The Haggonfields' Way](https://www.haggonfields.co.uk)

We have followed the Haggonfields' Way

Celebrating Success

If your child has celebrated an achievement outside of school, we would love to hear about it and celebrate their success with them. Please encourage them to bring any badges, certificates etc so they can share with their friends.

Notices

Code of Conduct for Parents, Carers and Visitors.

We would like to remind all parents and carers of our school's code of conduct for parents, carers and visitors. The policy is linked below.

[Code of Conduct](#)

It is important that all parents and carers familiarise themselves with this policy to ensure the safety of our staff and children.

Nut-Free School

A reminder to parents and carers that we continue to be a nut-free school therefore we kindly request that you do not send any nut products in your child's lunchbox or as snacks.

We appreciate your cooperation in making our school a safe space for everyone.

Polite Reminders

We kindly ask

- that there is no smoking or vaping on school premises.
- If anyone travels to school on their bikes or scooters, please ensure they are dismantled before entering through the school gate.
 - Dogs are not allowed on school premises.

TTRS WEEK

On 22nd to 25th September, Adventurers and Entrepreneurs are encouraged to take part in our [week long](#) competition on Times Table Rock Stars. The aim of the competition is to see which student can get the most correct answers from each year group.

To take part in the competition, the children need to log into TTRS as normal and play in any mode (except Jamming) and try and get as many correct answers as possible throughout the week.

The winners will be announced in the celebration assembly on Friday 26th September.

Notices

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Need to Know about

SNAPCHAT

AGE RESTRICTION 13+

SNAP STREAK 97

WHAT ARE THE RISKS?

With over 900 million active monthly users and billions of 'Snaps' sent each month, Snapchat is a popular messaging app among children and young people. It allows users to share fun, spontaneous pictures and videos with friends and family while using playful filters. One of Snapchat's unique features is that pictures, videos and messages are only viewable for a short period of time.

ARTIFICIAL INTELLIGENCE

Snapchat's use of artificial intelligence (AI) includes features like the 'My AI' chatbot and AI-powered filters, offering interactive experiences that can be fun but also pose risks. These tools may share unfiltered or inaccurate responses, promote unrealistic beauty standards, and collect personal data. Advanced filters and deepfake-style lenses can distort reality, potentially leading to manipulation, impersonation, or inappropriate content.

SCREEN ADDICTION

Snapchat boosts user engagement and daily use with features like streaks (daily Snapchat exchanges between you and a friend). When a streak's been going for a few days, users will see a 🌟 emoji. The number alongside it shows the number of days, but if users miss a day and break the streak, the only way to restore it is to pay. This encourages daily use habits, and frequent notifications can keep users returning to the app even more often.

SEXTORTION

Because Snapchat's disappearing messages feature may foster a sense of safety, users may become targets of sextortion. For example, a predator may pressure someone into sending nude images, then somehow capture those images to threaten and intimidate the victim. This might involve claiming they will share the images with friends or family unless money is paid.

SNAPCHAT+

Snapchat+ is the platform's premium subscription service, offering early access to new and exclusive features. In June 2025, Snapchat introduced a new tier called Lens+, giving subscribers access to hundreds of lenses and AR experiences for playing, creating and sharing snaps. These paid features may encourage young users to spend money to access exclusive content, increasing the risk of overspending or feeling pressured to make in-app purchases.

ACCESSIBILITY

Snapchat is now accessible from a web browser, meaning children can use it on a laptop or tablet without downloading the app. This can make activity harder to monitor, reduce the effectiveness of parental controls, and increase the risk of unsupervised communication or exposure to inappropriate content.

INAPPROPRIATE CONTENT

Some content on Snapchat isn't suitable for children. The hashtags used to group content are determined by the poster, so even an innocent search term could still yield age-inappropriate results. The app's disappearing messages feature also makes it easy for young people to share explicit images on impulse – so sexting continues to be a risk associated with Snapchat.

Advice for Parents & Educators

ACCESS THE SNAPCHAT FAMILY SAFETY HUB

Created with guidance from Common Sense Media, Snapchat has developed a Family Safety Hub that explains how the app works and how to use its in-app protections for teens. It's recommended that you review this guidance before allowing a child to download Snapchat. Remember, the app is only intended for children aged 13 and over.

ENCOURAGE OPEN DISCUSSIONS

Snapchat's risks can be easier to handle if you nurture an open dialogue. Talk about scams and blackmail before letting children sign up. If they're lured into a scam, encourage them to tell you immediately. Talk openly and non-judgementally about sexting, emphasising its inherent risks. Furthermore, explain how popular 'challenges' on the platform can have harmful consequences.

BLOCK AND REPORT

If a stranger connects with a child on Snapchat and makes them feel uncomfortable by pressuring them to send or receive unwanted or inappropriate images, the child can tap the three dots on that person's profile to report or block them. There are options to state why they're reporting that user, with a tailored reporting section under the 'Nudity and Sexual Content' category. In this category, there's the option to report somebody for threatening to leak sexually explicit images, or 'nudes'.

USE PRIVACY SETTINGS TOGETHER

Sit down with the children in your care and explore Snapchat's privacy settings as a shared activity. You can help them adjust who can contact them, view their stories, or see their location on Snap Map. It's a good opportunity to explain why some settings are safer than others, reinforcing their understanding of online boundaries. Encourage them to regularly review these settings, especially after app updates or changes in their friendship groups.

Meet Our Expert

Dr Claire Sutherland is an online safety consultant, educator and cyber safety researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian Government comparing internet use and sexting behaviour of young people in the UK, USA and Australia.

Early Years Centre

PIC • COLLAGE

This week our Curious Creators have been developing their mathematical reasoning skills. We have been working on why certain objects belong together, using terms like colour, shape, and size to justify their choices, recognising patterns and similarities to sort items accurately.

Our Learning

This week, we have been learning about our 5 senses. On Monday we took part in an investigation to see which body parts are linked to each of our senses. Mrs Morton brought in equipment to teach the children about visual and auditory impairments. We have also written our narratives based on the story Brown Bear Brown Bear. Well done for another fabulous week.

Our Learning

This week in Adventurers, we have been learning all about Stone Age animals and creating our own character to write a character description about in the coming weeks. In Science, we have been learning all about different rocks that are used to create buildings around the world. In P.E, I have been so proud of the children as they have been learning to do a forward roll and they have all done an amazing job! Another fantastic week for all!

Our Learning

This week, Entrepreneurs visited The Workhouse and Infirmary, Southwell. The children (and teachers) had an incredible day, experiencing all that The Workhouse has to offer! I was so impressed with how the children played into their roles!

We even spotted a real-life example of a pulley system!

Attendance Ladder

How close are you to reaching the top?

For every day you are absent from school, 5 hours of learning is lost.
