

MESSAGE FROM THE HEADTEACHER

It's been a wonderfully busy week in school, with classrooms buzzing as children have thrown themselves into some fantastic writing across every year group.

We're already looking ahead to next week's reading event, where we're excited to welcome parents into school to share books and stories with their children.

Our Imagineers are also gearing up for their educational visit to Sherwood Observatory on Monday 26th January. This trip is a highly sought-after opportunity among schools, and we feel very fortunate to be able to offer such an inspiring experience.

DIARY DATES

Wed 21 st Jan	Reading Event
Mon 26 th Jan	Yr 1/2 Trip
Mon 16 th Feb	Half Term
Wed 4 th March	Maths Event

HAGGONFIELDS' WAY

At Haggonfields we teach a Relationships and Behaviour Strategy that sets out expectations for pupils to follow through the learning day and beyond. We want to support our pupils to have a 'toolbox' of deep rooted principles that allows all to be responsible and respectable citizens.

We call this the Haggonfields' Way.

Each week, a pupil from each class that has demonstrated the values and behaviours outlined in the Haggonfields' Way will be awarded a certificate in the Celebration assembly.

You can learn more about our strategy on the website [The Haggonfields' Way](https://www.haggonfields.co.uk)

We have followed the Haggonfields' Way

Celebrating Success

If your child has celebrated an achievement outside of school, we would love to hear about it and celebrate their success with them. Please encourage them to bring any badges, certificates etc so they can share with their friends.

Notices

Code of Conduct for Parents, Carers and Visitors.

We would like to remind all parents and carers of our school's code of conduct for parents, carers and visitors.

The policy is linked below.

[Code of Conduct](#)

It is important that all parents and carers familiarise themselves with this policy to ensure the safety of our staff and children.

Nut-Free School

A reminder to parents and carers that we continue to be a nut-free school therefore we kindly request that you do not send any nut products in your child's lunchbox or as snacks.

We appreciate your cooperation in making our school a safe space for everyone.

Polite Reminders

We kindly ask

- that there is no smoking or vaping on school premises.
- If anyone travels to school on their bikes or scooters, please ensure they are dismounted before entering through the school gate.
- Dogs are not allowed on school premises.

Notices

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one issue of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

How to Set up PARENTAL CONTROLS for APPS iPhone

Apple devices come with built-in apps already available: Mail, FaceTime and Safari, for example. However, you can choose which apps and features appear on your child's device and which ones don't. You can also manipulate the features in Game Centre to enhance your child's safety and privacy when playing games, as well as blocking iTunes or App Store purchases if you wish.

How to Restrict Built-in Apps/Features

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap Allowed Apps (you may need to toggle this to 'on' at the top)
- 5 Enable or disable the apps you wish to appear (or disappear) on your child's device

How to Restrict Game Centre

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap Content Restrictions (you may need to switch the toggle at the top to the 'on' position)
- 5 Scroll down to Game Centre
- 6 Choose between Allow, Don't Allow, or Allow with Friends Only in the settings for each feature

How to Restrict iTunes & App Store Purchases

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap iTunes & App Store Purchases
- 5 Select Allow or Don't Allow for each feature (you can also lock these settings with a password)

WORKSOP AUTISM FAMILY SUPPORT HUB RUN BY AEM

Session Dates for 2026

Sparken Hill Academy
Sparken Hill, Worksop, S80 1AW

Scan me

The Autism Family Support Hub is a very relaxed stay and play session, with the aim of offering support if needed for families with autistic children, with or without a diagnosis.

These are drop in sessions for the whole family

Children 11 and under, including siblings, can enjoy crafts, sensory activities and toys

Parents/carers can engage in activities too, or enjoy some refreshments whilst talking to other families and sharing experiences or speaking with staff for advice and support.

No need to book a place
– just turn up

If you'd like to join our mailing list, get in touch;

kerry.macadam@aem.org.uk

£1 for refreshments

We'd also be really grateful if you could donate what you can afford towards the running of the session.
Cash is preferred.

Usually the second Tuesday of the month 5-6.30pm

Healthier Together

For more information follow the below link for healthcare advice for parents/carers

[Healthier together](#)

Early Years

This week in Curious Creators the children have been learning all about cold environments and have shown great curiosity as they explored what life is like in icy places. They particularly enjoyed investigating our cornflour tuff tray, using polar bears and penguins to act out little story's. It has been wonderful to see their imaginations grow as they explored the Arctic and Antarctic through sensory play.

Our Learning

This week, our class has been busy exploring a range of exciting learning activities. In Art, we have been learning about cityscapes and experimenting with colour to create bold and imaginative artwork. In Maths, we have been developing our understanding of 3D shapes by recognising them and learning how to count their faces and edges. We also visited the dark room to investigate how light affects our vision, exploring how our eyes respond in dark, dim and bright conditions. The children showed great curiosity and enthusiasm throughout the week.

Our Learning

This week in Adventurers, we have been continuing our learning all about different light sources and identifying natural and artificial sources of light. In English, we have been learning how to correctly write a poem in the style of Joseph Coelho. He uses a recurring verse, which the children have also used to create a poem about all the things they can hear, smell and see from their window. In P.E, the children have explored how to play various invasion games and learned the rules to play these correctly.

Our Learning

This week, our Entrepreneurs explored thermal conductors and insulators in Science, investigated fractions using sweets in Maths, and continued writing poems about future careers. We finished the week with 'Focus Friday', sketching birds. Well done, Entrepreneurs, for a great week of learning!

Attendance Ladder

How close are you to reaching the top?

For every day you are absent from school, 5 hours of learning is lost.
