

### MESSAGE FROM THE HEADTEACHER

It has been another busy and positive week in school, with lots of exciting learning taking place. One of the highlights was our Active Learning Morning, which was thoroughly enjoyed by all the children. It was wonderful to see pupils so engaged, curious and enthusiastic as they explored their learning in a variety of creative and hands-on ways. We are also delighted to see our outdoor spaces continuing to flourish.

Recent planting of flowers and vegetables is already making a real difference, and the children have taken great pride in helping to care for these areas. We hope these spaces become fantastic environments for learning, wellbeing and enjoyment, and we look forward to seeing them grow over the coming weeks.

### DIARY DATES

Mon 25 <sup>th</sup> May	May half term
Fri 26 <sup>th</sup> June	Whitby (year5/6)
Wed 1 <sup>st</sup> July	Y6 Transition
Thurs 2 <sup>nd</sup> July	School transition day

2025/2026 inset days  
Friday 24<sup>th</sup> July  
Monday 27<sup>th</sup> July

# HAGGONFIELDS' WAY

At Haggonfields we teach a Relationships and Behaviour Strategy that sets out expectations for pupils to follow through the learning day and beyond. We want to support our pupils to have a 'toolbox' of deep rooted principles that allows all to be responsible and respectable citizens.

We call this the Haggonfields' Way.

Each week, a pupil from each class that has demonstrated the values and behaviours outlined in the Haggonfields' Way will be awarded a certificate in the Celebration assembly.

You can learn more about our strategy on the website [The Haggonfields' Way](#)

## Celebrating Success

If your child has celebrated an achievement outside of school, we would love to hear about it and celebrate their success with them. Please encourage them to bring any badges, certificates etc so they can share with their friends.

## Notices

### One Charter for Parents, Carers and Visitors.

We would like to remind all parents and carers of our school's code of conduct for parents, carers and visitors. The policy is linked below.

[One Charter](#)

It is important that all parents and carers familiarise themselves with this policy to ensure the safety of our staff and children.

### Nut-Free School

A reminder to parents and carers that we continue to be a nut-free school therefore we kindly request that you do not send any nut products in your child's lunchbox or as snacks.

We appreciate your cooperation in making our school a safe space for everyone.

### ParentPay

We kindly ask that all outstanding balances on ParentPay are cleared. We really appreciate your support and cooperation. If you have any questions or need assistance, please don't hesitate to contact the school office

### Polite Reminders

We kindly ask

- that there is no smoking or vaping on school premises.
- If anyone travels to school on their bikes or scooters, please ensure they are dismounted before entering through the school gate.
- Dogs are not allowed on school premises.

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit [nationalcollege.com](http://nationalcollege.com).

## What Parents & Educators Need to Know about YOUTUBE

**WHAT ARE THE RISKS?**

**INAPPROPRIATE CONTENT**

YouTube is free and can be accessed across multiple device types, even without an account. While some videos are marked as 'age restricted', this relies on uploader honesty and automated moderation, meaning children and young people may still encounter unsuitable content if these measures aren't taken.

**UNDER 18**

**TRENDS AND CHALLENGES**

Popular trends and challenges can be entertaining and widely shared. While many are harmless, some can be risky or harmful if copied. For example, the 'salt and ice challenge' has caused injuries when imitated.

**EXPOSURE TO EXTREME CONTENT**

The platform's algorithm often promotes content that attracts high engagement, which can sometimes include videos containing extreme viewpoints, misinformation, or risky behaviour. As children and young people watch more of this content, similar videos are likely to be recommended by YouTube's algorithm, therefore reinforcing the exposure.

**AUTOPLAY**

**CONNECTING WITH STRANGERS**

YouTube includes social features such as comments and direct messaging. This means young users can interact with people they don't know, potentially exposing them to inappropriate language, cyberbullying, or unwanted contact. Young content creators may be especially vulnerable.

**SUGGESTED CONTENT**

YouTube recommends videos based on what a user has previously watched. While this can enhance the experience, it may also encourage binge-watching and excessive screen time, particularly when Autoplay is enabled. Without an account, users are shown trending videos, which are not always age appropriate.

**SHORT-FORM CONTENT IMPACT**

YouTube Shorts – short, fast-paced videos – are designed for continuous viewing. This style of content can be highly engaging but may also contribute to increased screen time and difficulties with maintaining focus over longer periods.

### Advice for Parents & Educators

**CONSIDER YOUTUBE KIDS**

YouTube Kids can help reduce young users' exposure to unsuitable content by filtering videos into age groups, such as preschool, younger, and older children. However, as moderation is automated, it should be used alongside active supervision.

**CHECK PRIVACY SETTINGS**

If a child in your care uploads content, consider setting videos to Private or Unlisted so they are only shared with trusted viewers. Disabling comments can also help reduce unwanted interaction from strangers.

**USE PARENTAL CONTROLS**

Google Family Link allows adults to filter content, monitor usage, and manage younger users' screen time. Supervised Accounts offer a gradual step up from YouTube Kids, enabling children to explore the platform with appropriate safeguards.

**WATCH TOGETHER**

Spending time watching YouTube with the children and young people in your care can help you understand what they enjoy and guide your conversations about content. Tools like downtime in Family Link can also help limit unsupervised viewing.

**Meet Our Expert**

Alan Martin is an experienced technology journalist who has written for publications including Wired, TechRadar, Tom's Guide, The Evening Standard and The New Statesman.

# WORKSOP AUTISM FAMILY SUPPORT HUB RUN BY AEM

Session Dates for 2026

Sparken Hill Academy  
Sparken Hill, Worksop, S80 1AW

Scan me

The Autism Family Support Hub is a very relaxed stay and play session, with the aim of offering support if needed for families with autistic children, with or without a diagnosis.

These are drop in sessions for the whole family

Children 11 and under, including siblings, can enjoy crafts, sensory activities and toys

Parents/carers can engage in activities too, or enjoy some refreshments whilst talking to other families and sharing experiences or speaking with staff for advice and support.

No need to book a place  
– just turn up

If you'd like to join our mailing list, get in touch;

[kerry.macadam@aem.org.uk](mailto:kerry.macadam@aem.org.uk)

**£1 for refreshments**

We'd also be really grateful if you could donate what you can afford towards the running of the session.  
Cash is preferred.

Usually the second Tuesday of the month 5-6.30pm

## Friday 24<sup>th</sup> April

  
Haggonfields  
Primary School

## Early Years

This week in Early Years, the children have been developing their maths skills through lots of practical, hands-on activities. They've been combining numbers to total 10, practising estimating amounts before checking, and strengthening their number recognition. We've also been working on ordering numbers to 10, helping the children understand number patterns and sequence. It's been lovely to see their confidence grow as they explore these early maths concepts in fun and engaging ways.

## Our Learning

Year 1 and 2 have been enjoying exploring our new class story "There's a Tiger on the Train". To begin the unit, the children completed a cold task where they created their own imaginative stories, helping us to see their starting points in writing. They also had great fun using a train simulator to inspire their ideas and generate exciting vocabulary, which will support them as we continue developing our storytelling skills.

## Our Learning

We've had a wonderful week in Adventurers. The children have really enjoyed learning how to create a performance using the djembe drum, exploring rhythm, teamwork, and creativity as they built their confidence. Our Active Learning Day with the sports coaches was a real highlight, filled with energetic challenges that encouraged cooperation and resilience. With the weather improving, we've also taken more learning outdoors, giving the children space to be active, curious, and engaged in new ways. It's been a lively, joyful week, and we're proud of everything the children have achieved.

## Our Learning

We've had a great week in Entrepreneurs! In Maths, we've been exploring angles, and everyone showed fantastic focus and effort. We also enjoyed our sports morning, where teamwork and enthusiasm were on full display. In Spanish, we've been learning how to describe flags, and in Geography, we developed our map skills by looking at six-figure grid references. Well done to everyone for a brilliant week of learning!
