HAGGONFIELDS' WAY

At Haggonfields we teach a Relationships and Behaviour Strategy that sets out expectations for pupils to follow through the learning day and beyond. We want to support our pupils to have a 'toolbox' of deep rooted principles that allows all to be responsible and respectable citizens.

We call this the Haggonfields' Way.

Each week, a pupil from each class that has demonstrated the values and behaviours outlined in the Haggonfields' Way will be awarded a certificate in the Celebration assembly.

You can learn more about our strategy on the website [The Haggonfields' Way](#)

We have followed the Haggonfields' Way

Celebrating Success

If your child has celebrated an achievement outside of school, we would love to hear about it and celebrate their success with them. Please encourage them to bring any badges, certificates etc so they can share with their friends.

Notices

One Charter for Parents, Carers and Visitors.

We would like to remind all parents and carers of our school's code of conduct for parents, carers and visitors. The policy is linked below.

[One Charter](#)

It is important that all parents and carers familiarise themselves with this policy to ensure the safety of our staff and children.

Nut-Free School

A reminder to parents and carers that we continue to be a nut-free school therefore we kindly request that you do not send any nut products in your child's lunchbox or as snacks.

We appreciate your cooperation in making our school a safe space for everyone.

ParentPay

We kindly ask that all outstanding balances on ParentPay are cleared. We really appreciate your support and cooperation. If you have any questions or need assistance, please don't hesitate to contact the school office

Polite Reminders

We kindly ask

- that there is no smoking or vaping on school premises.
- If anyone travels to school on their bikes or scooters, please ensure they are dismounted before entering through the school gate.
- Dogs are not allowed on school premises.

Notices

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Need to Know about

YOUTUBE

WHAT ARE THE RISKS?

Almost anyone with an internet connection knows about YouTube. The Google-owned platform allows users to upload and share videos globally, making it a readily accessible resource with free content on almost any topic. However, with over 20 million videos uploaded each day, not all material is suitable for younger audiences.

INAPPROPRIATE CONTENT

YouTube is free and can be accessed across multiple device types, even without an account. While some videos are marked as 'age restricted', this relies on uploader honesty and automated moderation, meaning children and young people may still encounter unsuitable content if these measures aren't taken.

TRENDS AND CHALLENGES

Popular trends and challenges can be entertaining and widely shared. While many are harmless, some can be risky or harmful if copied. For example, the 'salt and ice challenge' has caused injuries when imitated.

EXPOSURE TO EXTREME CONTENT

The platform's algorithm often promotes content that attracts high engagement, which can sometimes include videos containing extreme viewpoints, misinformation, or risky behaviour. As children and young people watch more of this content, similar videos are likely to be recommended by YouTube's algorithm, therefore reinforcing the exposure.

CONNECTING WITH STRANGERS

YouTube includes social features such as comments and direct messaging. This means young users can interact with people they don't know, potentially exposing them to inappropriate language, cyberbullying, or unwanted contact. Young content creators may be especially vulnerable.

SUGGESTED CONTENT

YouTube recommends videos based on what a user has previously watched. While this can enhance the experience, it may also encourage binge-watching and excessive screen time, particularly when Autoplay is enabled. Without an account, users are shown trending videos, which are not always age appropriate.

SHORT-FORM CONTENT IMPACT

YouTube Shorts – short, fast-paced videos – are designed for continuous viewing. This style of content can be highly engaging but may also contribute to increased screen time and difficulties with maintaining focus over longer periods.

Advice for Parents & Educators

CONSIDER YOUTUBE KIDS

YouTube Kids can help reduce young users' exposure to unsuitable content by filtering videos into age groups, such as preschool, younger, and older children. However, as moderation is automated, it should be used alongside active supervision.

CHECK PRIVACY SETTINGS

If a child in your care uploads content, consider setting videos to Private or Unlisted so they are only shared with trusted viewers. Disabling comments can also help reduce unwanted interaction from strangers.

USE PARENTAL CONTROLS

Google Family Link allows adults to filter content, monitor usage, and manage younger users' screen time. Supervised Accounts offer a gradual step up from YouTube Kids, enabling children to explore the platform with appropriate safeguards.

WATCH TOGETHER

Spending time watching YouTube with the children and young people in your care can help you understand what they enjoy and guide your conversations about content. Tools like downtime in Family Link can also help limit unsupervised viewing.

Meet Our Expert

Alan Martin is an experienced technology journalist who has written for publications including Wired, TechRadar, Tom's Guide, The Evening Standard and The New Statesman.

WORKSOP AUTISM FAMILY SUPPORT HUB RUN BY AEM

Session Dates for 2026

Sparken Hill Academy
Sparken Hill, Worksop, S80 1AW

Scan me

The Autism Family Support Hub is a very relaxed stay and play session, with the aim of offering support if needed for families with autistic children, with or without a diagnosis.

These are drop in sessions for the whole family

Children 11 and under, including siblings, can enjoy crafts, sensory activities and toys

Parents/carers can engage in activities too, or enjoy some refreshments whilst talking to other families and sharing experiences or speaking with staff for advice and support.

No need to book a place
– just turn up

If you'd like to join our mailing list, get in touch;

kerry.macadam@aem.org.uk

£1 for refreshments

We'd also be really grateful if you could donate what you can afford towards the running of the session.
Cash is preferred.

Usually the second Tuesday of the month 5-6.30pm

[Healthier together](#)

Early Years

This week in Early Years, the children have been busy getting our garden ready for the growing season. They have enjoyed planting tomatoes, peas, radishes, strawberries, peppers and rhubarb, learning about what seeds and plants need to grow and how to care for them.

Our Learning

Year 1 and 2 have been exploring still life art inspired by Vincent van Gogh. The children used bold colours and expressive brushstrokes to create their own beautiful artwork, showing great creativity and care.

Our Learning

This week in Adventurers, the children explored the world of materials by discovering which items are magnetic and which are not, testing their ideas through playful investigation. On the court, they developed greater control in tennis, practising steady swings and thoughtful movement. Their language learning also blossomed as they confidently learned to say the months of the year in Spanish.

Our Learning

Entrepreneurs have had a great week, with lots of productive learning. In Maths, we explored reflections and translations, while in Spanish we learned about flags and started to create a book for our younger children in school. In RE, we developed our understanding of Salvation by responding to different scenarios. Well done, everyone!
