

MESSAGE FROM THE HEADTEACHER

It has been another busy and enjoyable week in school. The children are beginning to get very excited as they prepare for Sports Day on 10th July, and we are looking forward to seeing their enthusiasm and teamwork on the day.

A special well done to our Year 6 pupils, who organised a fantastic bake sale this week to raise funds for their leaving trip. Their effort, creativity and teamwork were wonderful to see and they raised over £80!

Health For Kids

Early Years

The children have been learning all about healthy teeth this week, exploring what they look like and why they are so important. They enjoyed practising tooth brushing skills using models and songs to help them remember how to clean every tooth. We also talked about healthy habits such as visiting the dentist, drinking water, and choosing tooth-friendly snacks.

Our Learning

This week in Year 1/2, we have been busy developing our Maths and Writing skills. In Maths, we have enjoyed running our class cake shop, where we have been learning to recognise coins, make different amounts and buy items using money. The children have loved taking on the roles of customers and shopkeepers! In English, we have been writing non-chronological reports about bikes, learning how to organise information using headings, facts and clear sentences. We are very proud of the fantastic effort and enthusiasm the children have shown in all their learning this week.

Our Learning

PIC•COLLAGE

This week was full of exciting learning. In Science, the children built circuits and saw bulbs light up. In Maths, they practised counting money, growing more confident with coins and totals. In Spanish, they learned animal names using fun new vocabulary. They showed enthusiasm, curiosity, and teamwork, making it a joyful week of learning together.

Our Learning

This week has been special in Entrepreneurs. We have enjoyed handling our chicks. We were able to see each of them hatch last week - an incredible experience for everyone to see. In Writing, we have been learning how to create character descriptions - some fantastic work has been produced. To end the week, we created our pasta salad recipes. Well done, everyone!

Attendance Ladder

How close are you to reaching the top?

For every day you are absent from school, 5 hours of learning is lost.
