

MESSAGE FROM THE HEADTEACHER

Well done to all of our Year 6 pupils on their recent transition days at Outwood Academy Portland. We hope you enjoyed the experience and are feeling excited about the new adventure that awaits you in September.

This week, we also enjoyed a fantastic whole-school transition day, with every child spending time in their new class and meeting their teachers for next year. It was wonderful to see the enthusiasm and excitement across the school as everyone began preparing for the year ahead.

A huge thank you to our families for supporting the Year 6 fundraising efforts. Thanks to your generosity, they have now reached their target and are looking forward to a fantastic end-of-year trip.

Have a wonderful weekend everyone, and good luck to England! 🏴󠁧󠁢󠁥󠁮󠁧󠁿

Notices

One Charter for Parents, Carers and Visitors.

We would like to remind all parents and carers of our school's code of conduct for parents, carers and visitors. The policy is linked below.

[One Charter](#)

It is important that all parents and carers familiarise themselves with this policy to ensure the safety of our staff and children.

Nut-Free School

A reminder to parents and carers that we continue to be a nut-free school therefore we kindly request that you do not send any nut products in your child's lunchbox or as snacks.

We appreciate your cooperation in making our school a safe space for everyone.

ParentPay

We kindly ask that all outstanding balances on ParentPay are cleared. We really appreciate your support and cooperation. If you have any questions or need assistance, please don't hesitate to contact the school office

Polite Reminders

We kindly ask

- that there is no smoking or vaping on school premises.
- If anyone travels to school on their bikes or scooters, please ensure they are dismounted before entering through the school gate.
- Dogs are not allowed on school premises.

WORKSOP AUTISM FAMILY SUPPORT HUB RUN BY AEM

Session Dates for 2026

Sparken Hill Academy
Sparken Hill, Worksop, S80 1AW

Scan me

The Autism Family Support Hub is a very relaxed stay and play session, with the aim of offering support if needed for families with autistic children, with or without a diagnosis.

These are drop in sessions for the whole family

Children 11 and under, including siblings, can enjoy crafts, sensory activities and toys

Parents/carers can engage in activities too, or enjoy some refreshments whilst talking to other families and sharing experiences or speaking with staff for advice and support.

No need to book a place
– just turn up

If you'd like to join our mailing list, get in touch;

kerry.macadam@aem.org.uk

£1 for refreshments

We'd also be really grateful if you could donate what you can afford towards the running of the session.
Cash is preferred.

Usually the second Tuesday of the month 5-6.30pm

Health For Kids

Early Years

This week, the children enjoyed a variety of learning experiences. They developed their Maths skills through counting, addition, and number activities, explored transferring mud to build coordination and teamwork, and investigated slugs in the mud kitchen. They also took part in Transition Day, confidently exploring their new environment and meeting new adults in preparation for their next stage of learning.

Our Learning

This week, Year 1 and 2 have been learning to tell the time to o'clock and half past through practical Maths activities. The children also transitioned confidently to their new classes and teachers, showing enthusiasm and maturity. We have been practising for Sports Day, and the children are excited to demonstrate their skills and teamwork next week. Well done, Year 1 and 2!

Our Learning

Our week in Year 3 and 4 has been full of hands-on learning and curious minds. In science, the children explored conductors and insulators by building simple circuits and testing everyday objects to see which materials allowed electricity to flow. In D&T, they learned what our bodies need for a healthy diet and how different foods help us stay strong and energised. In maths, we investigated turns and angles, using movement and shapes to understand how they work in the world around us.

Our Learning

The children had a fantastic time on their residential visit to Whitby! They enjoyed exploring the town, searching for fossils on the beach and taking part in a pirate party, where Miss Haynes found herself under attack from the children with water balloons! While everyone loved the experience and were amazed by the number of fossils they discovered, they are all very glad they don't have to climb Whitby's famous 199 steps again!

Attendance Ladder

How close are you to reaching the top?

For every day you are absent from school, 5 hours of learning is lost.
