

MESSAGE FROM THE HEADTEACHER

What a fantastic Sports Day we had! It was wonderful to see our pupils demonstrating determination, teamwork and sportsmanship throughout the day. A huge thank you to all the families and friends who came along to support – it was great to see the Haggonfields community come together and cheer on our children. Your encouragement helped make the day such a special success.

We would also like to make parents and carers aware that a letter outlining our expectations regarding attendance has now been uploaded to the school website. Please follow the link on the website to read the letter:

Health For Kids

Early Years

This week Curious Creators have been exploring shapes. We have been looking at the different properties shapes have, how they can be found in the environment, how shapes can be found within each other, creating pictures with shapes as well a shape hunt. The children have been very enthusiastic and showed great listening skills.
