

MESSAGE FROM THE HEADTEACHER

We have had a fabulous week in school and the children worked incredibly hard. It has been wonderful to see their enthusiasm for learning and their positive attitudes across all areas of school life.

We would like to thank parents and carers for the fantastic response to our reading initiative. It has been wonderful to see so many families logging weekly reads on ClassDojo. As a result, lots of children have already enjoyed **Golden Time**, celebrating their commitment to reading both at home and in school. Your support makes a huge difference in helping children develop a love of reading and we greatly appreciate your continued encouragement.

Throughout the year, we will be encouraging the children to recognise and celebrate the qualities of resilience in themselves and others. By developing these important life skills, we hope to nurture confident, resilient learners who are ready to embrace challenges and achieve their full potential.

Thank you for your continued support. We look forward to sharing the children's successes with you throughout the year.

CLASS DOJO REWARDS

This week, we relaunched our **ClassDojo rewards system**. The children are very excited to begin collecting points and celebrating their achievements. This year, our rewards system is linked to helping children develop their resilience through our '**7 Cs of Resilience**'.

Children will earn Dojo points for demonstrating:

Confidence – believing in themselves and having a go.

Competence – developing skills and striving to improve.

Connection – building positive relationships with others.

Character – making good choices and showing respect.

Contribution – helping others and being an active member of our school community.

Coping – managing challenges and setbacks positively.

Control – taking responsibility for their actions and learning.

As well as earning individual rewards, children will also work together to collect **collective weekly points** for their class. When classes reach their targets, they will be able to enjoy rewards such as **extra playtime, computing time, non-uniform opportunities, or even a class party**. The children have been incredibly enthusiastic about the relaunch and are already looking forward to working together towards these exciting rewards!
